SECOND MASS MEETING WEDNESDAY

President of Law Enforcement League Explains Situation Confronting Organization. Women Organize.

At the call of F. P. Sizer, president of the Law Enforcement League of Monett, second big mass meeting was held at the Methodist church Wednesday night. The building was crowded and interest in the accomplishment of the purposes of the League was at its height.

H. A. Gardner, the League advisor, gave a report of the injunction proceedings before Judge Charles Henson to close the building commonly known as "Billy's Place." As this was the first case of the kind brought before the judge, he asked for further time and set the hearing for Wednesday May 4, at Mt. Vernon. The hearing will start at 2:30 o'clock. It is expected that a large crowd of Monett people will be there.

F. P. Sizer, the League President, made a speech in which he said the issue now before the Monett people was either "Law enforcement or Bolshevism." He said that the report that a compromise with the liquor men had been made, was false. He said that the proceedings of the League were public, and that evil could not live in the face of publicity. He appealed to the law abiding people of the town to stand firm back of the law enforcement program. He intimated that efforts would be made to strike him through propaganda against the bank with which he is associated and asks the people to believe nothing of this nature which they might hear.

The question of some action toward abolishing pool halls in the town was brought up. Several speeches were made in which the pool halls were said to permit gambling on their premises. It was decided to circulate petitions to determine the will of the voters of the town on this subject and petitions were started at this meeting, receiving a large number of signers.

The League officers requested that the women of the town organize a Woman's Law Enforcement League to act as an auxiliary to the men's organization. The women proceeded to organize at once, and selected Miss Bertha Jeffries as president, Mrs. V. A. Willey, vice president; Mrs. F. P. Sizer, secretary and Mrs. M. J. Hale, treasurer. A meeting of the women of the town will be held at the Baptist church at 4 o'clock Friday afternoon to perfect plans of work.

While information was not given out as to further arrests it was intimated that notice had been served on several citizens, who were suspected of law breaking.

The launching of the law enforcement program at Monett has started the ball rolling. Rev. J. T. Brattin, a prominent minister of the county, has issued a call for every school district to hold rallies and pass resolutions favoring strict enforcement of the law and to assist the officers in doing their duty.

I. O. O. F. CELEBRATION A BIG SUCCESS

Two Hundred Fifty Odd Fellows and Rebekahs Attend Exercises April 26 at Butterfield.

The I. O. O. F. Anniversary celebration held at Butterfield Tuesday afternoon and evening was one of the most successful ever held in the county.

Unfavorable weather and muddy roads failed to keep the people away and the new I. O. O. F. Hall in Butterfield was filled to overflowing. The number of Odd Fellows and Rebekahs in attendance was estimated at two hundred and fifty. Every Subordinate and Rebekah Lodge in the county was represented.

The program was opened at 1:30 by an open air concert by the Cassville Concert band. The band also opened the program and furnished a number of excellent selections for the exercises in the Hall for which it received much applause and many compliments.

Past Grand Master G. G. Lydy of Springfield delivered the address of the day. He discussed the principles of the Order, what it stands for and why good men and women should belong to it. His address was strong and was well received. The two other speakers, Thos. Ferguson, of Republic and L. F. Jones of Cassville made splendid talks and all were highly complimented.

The Butterfield Rebekah Degree staff exemplified the work of that beautiful degree and the Purdy and Cassville subordinate degree staffs the work of the Second and Third degrees at the evening sessions.

A veteran Jewel and suitable resolutions were awarded and passed for S. R. Reynolds of Cassville Lodge who has been a member of the Order for 50 years.

The people of Butterfield were highly complimented for the manner in which they looked after the visitors and for the two strong lodges they have built up there in so short a time.

In 1922 the anniversary will be held with either the Washburn or the Cassville Lodges.—Cassville Republican.

MARKWELL HALL

U. R. INVITED

At the Dinner Table

A grandfather, past 80 years of age, was talking one day at the table about training children to handle money wisely.

His daughter, a woman past 50 years of age, said: "I will always blame you, father, for a good deal of my troubles in this line."

"You were too good to me when I was a girl. You gave me too much money to spend and you did not teach me to spend it sensibly."

"To this day I find it hard to make good use of my money—I still want to waste it as I used to waste money years ago."

The old gentleman replied: "Yes, I was a fool. I wish I had a chance to do that part of my work all over again."

Parents:—What will you say about this problem when you are old?

Think it over.
